ATTENTION FORT MCCOY HUNTING AND FISHING PERMIT APPLICANTS:

INFORMATION/REQUIREMENTS

CATEGORIES: All applicants are required to identify their status using one of the following categories: **Category A** - Active and Retired Military, Reserves and National Guard and their legal dependents; **Category B** - Fort McCoy Department of Defense and NAF civilians, retired civilians and their family members, and other US Government Civilian ID Card Holders; **Category C** - General Public (those who do not qualify for Category A or B). **This information is not used as a preference system for issuing permits**, but is used to determine the number of military, civilian government employees, and general public that participate in the various Fort McCoy hunting seasons. Military personnel, Fort McCoy civilians, and the general public all need to apply during the application period to have an opportunity to obtain a permit.

2003 APPLICATION REQUESTS: Beginning in 2003, applications will not be sent to hunters who had a permit in 2002. Hunters will need to send in their request for a fall application and provide a self addressed, stamped envelope to the Permit Sales Office to receive a Fall Hunting Application. Applications may also be obtained by e-mail through the Permit Sales Office at permitsales@emh2.mccoy.army.mil, or on the internet at www.mccoy.army.mil.

GENERAL INFORMATION:

APPLICATION PERIOD: Applications can be postmarked beginning March 24, 2003. Applications will be processed on a first come, first serve basis as received in the Permit Sales Office. **All applications for quota hunts (Gun-Deer, Fall Turkey, and Cantonment Archery) must be received through the mail (envelopes must have a U.S. postmark date and be delivered by mail).** Non-Quota applications can be mailed anytime.

RETURN ENVELOPES: If you received an application in the mail, an envelope has been provided for you to submit your application. If you obtained an application by email or from the Fort McCoy web page, use the information on the example envelope to mail your application. **The number of applications for each hunt must be noted on the outside of the envelope where indicated**, and the correct postage included. If you need to use another envelope include the same information and mailing address (do not include your return address on the outside of the envelope).

PAYMENT: Payment must be in the form of a money order(s) and made payable to: **Treasurer of the United States.** Individuals applying for non-quota permits may send one money order. **If applying for a quota permit(s), separate payment is required for each quota category** (Example: If applying as a group (4) for Gun-deer and Fall Turkey, money orders for \$64 and \$40, **respectively**, are permitted). **Personal checks are not accepted.** Permits are non-refundable/non-transferable.

GROUP APPLICATIONS: A maximum of 4 applications may be sent per envelope. Each applicant must submit a separate application.

NON-QUOTA PERMITS: Though offered for sale over the counter, we encourage everyone to purchase non-quota permits (fishing, small game, archery) through the mail. Non-quota permits can be purchased over the counter beginning March 31, 2003.

PERMIT PROCESSING: Successful applicants should receive their permits in the mail by the following dates: **Fishing - April 7; Fall Turkey - will be mailed as soon as carcass tags are received from the state; Small Game, Archery, Cantonment Archery, and Gun-Deer - August 1.** **These dates are approximate.** Permits will be processed

as quickly as possible. Please do not call to see if you were selected for a permit. Money orders will be returned to individuals who are not selected for a permit

SEASON INFORMATION

REGULATION CHANGES: Procedural changes may be made for the 2003 hunting and fishing seasons. Be sure to read the 2003 Hunting and Fishing Regulations closely for details.

1. GENERAL REGULATION CHANGES:

- a. **The Coal Yard Hunter Registration Point (CYHRP):** The CYHRP will be the primary location for hunters to sign in/sign out during the Small Game, Archery, and Turkey Seasons. However, the location may be changed to facilitate Fort McCoy mission requirements. Any changes will be noted on the Game Line.
- b. **Activity Information 5x8 Card:** All permit holders including hunters, trappers and anglers, are required to display a 5x8 information card on the passenger side of the windshield with the following information: Permit Holder's Full Name (**If there is more than 1 permit holder per vehicle, the names of ALL permit holders will be noted**), Activity (archery, fishing, gun-deer, scouting, etc), and Emergency contact phone number of **each** permit holder in the vehicle.

2. GUN-DEER SEASON (GDS):

Hunter sign-in and sign-out locations and procedures will change for the 2003 GDS.

- a. There will only be 2 hunter registration stations for the GDS in 2003: the Coal Yard Hunter Registration Point (CYHRP) and East Perimeter Hunter Registration Point (EPHRP). The EPHRP is located on X Road (old Gate 14), adjacent to the Field Shower Point.
- b. **Gate 48 will not be operational in 2003. All hunters that had previously checked in at Gate 48 will now need to sign-in and sign-out at CYHRP before entering the hunting areas.**
- c. Please read your regulation carefully if you receive a Fort McCoy GD permit for any further changes.

FALL TURKEY SEASON: If you receive a Fort McCoy Fall Turkey Permit you are not allowed to apply for a State of Wisconsin Fall Turkey Permit. If selected for a Fort McCoy Fall Turkey Permit, you will be notified prior to the deadline (August 10) for applying for a State Fall Turkey Permit. Applicants who apply for a State of Wisconsin Fall Turkey Permit and are not drawn, may apply for a Fort McCoy Fall Turkey Permit if permits are still available. Fall Turkey Permit holders may receive 2 carcass tags for Fort McCoy in 2003.

CWD SAMPLING: Thank you to all GDS hunters that donated samples for the Chronic Wasting Disease (CWD) testing on Fort McCoy. We collected 112 samples and as of February 10th, 86 samples have been analyzed with all being negative.
